

Dear residents of Flensburg

This year, the "Intercultural Weeks" in Flensburg are taking place for the 15th time. This series of events makes a major contribution to meeting and getting to know the people from 130 nations composing our civic society.

I am especially pleased that two new groups, "Neue Nachbarn – New Neighbors" and the "Kurdischer Verein Flensburg – Kurdish Society Flensburg", in which refugees are active, have made significant contributions to the performance program of the "Fest der Kulturen – Festival of Cultures".

As patron, I wish all guests to the events a good time and success to all the organizers.

Flensburg is colorful and we are proud of that.

Yours,
Simone Lange
Mayor
