

GREETING

Dear fellow citizens,

From **27 September to 4 October 2026**, the nationwide **Interkulturelle Woche** will once again take place. This year, too, the motto is **“dafür!”**.

“dafür!” – that is a clear commitment: to human dignity and democracy, to tolerance and mutual respect, to openness and solidarity with one another.

Especially in times when social debates are increasingly marked by division and opposing views, it is crucial to focus on what unites us and to stand up for one another.

Harmonious coexistence flourishes where people reach out and listen to one another. Interkulturelle Woche in the Wartburgkreis creates the spaces for people to meet and exchange ideas.

Numerous associations, initiatives, organizations, and action groups invite us to engage with one another through discussions, cultural events, workshops, as well as sporting and creative activities — all to discover **new perspectives**, and experience a sense of **community**.

My sincere **thanks** go to everyone whose dedication and ideas are contributing to the success of Interkulturelle Woche 2026 in the Wartburgkreis.

With warmest regards,

Your District Administrator
Dr. Michael Brodführer
