

The poster features a large, multi-colored rainbow arching across the frame. Above the rainbow, the text "Woche 2026" is written in a bold, sans-serif font, with "Woche" in pink and "2026" in blue. Below the rainbow, there are several yellow silhouettes representing different leisure and cultural activities: a person playing a guitar, a person playing a drum, a person playing a stringed instrument, a person playing a board game, a person playing a ball game, a person riding a bicycle, and a person sitting at a table. The background is white, and the overall design is bright and cheerful.
